

Gig Harbor/Key Peninsula

COMMUNITY GARDENS

Applications are now available for community garden plots in Gig Harbor & Key Peninsula.

- ★ Opportunity to garden & learn about healthy eating.
- ★ Share ideas and learn from other gardeners.
- ★ Enjoy produce from your own garden plot.
- ★ Everyone welcome.

Produce from 2009 FISH garden

GET INVOLVED:

Sign up for your own plot.

Attend one of our monthly meetings and join a committee.

Volunteer in the demonstration garden at Wilkinson Farm Park. All produce is donated to FISH food bank.

Help with seasonal preparation/clean-up efforts at the garden.

Donate gardening tools and materials.

Help to spread the word. Do you know someone who has gardening experience or who has a longing to garden, but no space to do so?
